

Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed, on May 9, 2019, Approach Resources Inc. (“Approach” or the “Borrower”) and certain subsidiaries of the Company (the “Guarantors,” and together with the Borrower, the “Credit Parties”) entered into the Limited Forbearance Agreement (the “Forbearance Agreement,” and as subsequently amended, the “Amended Forbearance Agreement”) with certain lenders named therein (the “Consenting Lenders”) and JPMorgan Chase Bank, N.A., as an Issuing Bank and as Administrative Agent, with respect to the Amended and Restated Credit Agreement, dated as of May 7, 2014, as amended, among the Borrower, the Guarantors, lenders party thereto, and the Administrative Agent (the “Credit Agreement”). Capitalized terms used in this Item 1.01 but not otherwise defined in this Item 1.01 have the meanings ascribed to them in the Amended Forbearance Agreement.

On August 28, 2019, Approach entered into the Fourth Amendment to the Forbearance Agreement with the Consenting Lenders (the “Fourth Amendment”). As amended by the Fourth Amendment, the forbearance period will extend to the earlier of (a) September 4, 2019 and (b) the date on which a Forbearance Termination Event occurs under the Amended Forbearance Agreement, which includes the occurrence of any event of default other than the foregoing specified events of default.

Pursuant to the terms of the Amended Forbearance Agreement, the Administrative Agent, Consenting Lenders, and the Issuing Bank have agreed, during a “forbearance period,” to forbear from exercising their rights and remedies under the Credit Agreement (and related loan documents) and applicable law with respect to the occurrence or continuance of events of default that have occurred or may occur on account of the failure of the Borrower to: (i) maintain a ratio of EBITDAX for the four fiscal quarter period ended March 31, 2019 or June 30, 2019 to Interest Expense for such period of not less than 2.25 to 1.00 as required by the Credit Agreement; (ii) maintain a Total Leverage Ratio for the applicable fiscal quarter of less than 5.00 to 1.00 as required by the Credit Agreement; (iii) maintain a ratio of consolidated current assets to consolidated current liabilities of less than 1:0 to 1.0 as of the last day of the fiscal quarter ended June 30, 2019; and (iv) deliver notice as required by the Credit Agreement with respect to the events of default described in the foregoing clauses (i), (ii) and (iii).

In the ordinary course of their respective businesses, one or more of the Lenders, or their affiliates, have or may have various relationships with the Company and its subsidiaries involving the provision of a variety of financial services, including cash management, commercial banking, investment banking, advisory or other financial services, for which they received, or will receive, customary fees and expenses. In addition, the Company and its subsidiaries may have entered into commodity derivative arrangements with one or more Lenders, or their affiliates.

The foregoing does not constitute a complete summary of the terms of the Fourth Amendment. A copy of the Fourth Amendment is attached hereto as Exhibit 10.1. The representations, warranties and covenants contained in the Amended Forbearance Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to investors, or may have been used for the purpose of allocating risk between the parties. Accordingly, the representations and warranties in the Amended Forbearance Agreement are not necessarily characterizations of the actual state of facts about the Company and its subsidiaries at the time they were made or otherwise and should be read only in conjunction with the other information that the Company makes publicly available in reports, statements and other documents filed with the Securities and Exchange Commission.
